

Project Management Body Of Knowledge 6th Edition

PMBOK® Guide is the go-to resource for project management practitioners. The project management profession has significantly evolved due to emerging technology, new approaches and rapid market changes. Reflecting this evolution, The Standard for Project Management enumerates 12 principles of project management and the PMBOK® Guide – Seventh Edition is structured around eight project performance domains. This edition is designed to address practitioners' current and future needs and to help them be more proactive, innovative and nimble in enabling desired project outcomes. This edition of the PMBOK® Guide: • Reflects the full range of development approaches (predictive, adaptive, hybrid, etc.); • Provides an entire section devoted to tailoring the development approach and processes; • Includes an expanded list of models, methods, and artifacts; • Focuses on not just delivering project outputs but also enabling outcomes; and • Integrates with PMI standards+™ for information and standards application content based on project type, development approach, and industry sector.

This book provides a universally applicable project management method - the principles, processes and techniques that enable individuals and organisations successfully to deliver their projects within time, cost and quality constraints. This new edition has been designed to place more emphasis on the principles that underpin successful project management and to provide clear guidance on how to apply these principles to the organisational context within which projects are operating.

Whether you are a senior executive or a project manager, it's your job to help your organization grow and increase its value to stakeholders. Project management is the unique organizational competency that manages change and drives competitive advantage with the outcome of delivering results in line with corporate strategy. A Guide to the Project Management Body of Knowledge (PMBOK Guide) Third Edition is the map to get you there. In 1983, Project Management Institute (PMI) volunteers first sat down to distill the project management body of knowledge. Today, the PMBOK Guide has become a global standard for the project management profession and is one of the best, most versatile documents available across major industries. It contains the fundamental, baseline practices that drive business results for any organization. The third edition has been updated to reflect the most current industry knowledge and practices. One of the most important changes is the evolution from generally accepted on most projects, most of the time to generally recognized as good practice on most projects, most of the time. Several chapters have been updated, rewritten or expanded to include the most current and pressing information facing project managers today. It also includes an expanded index and glossary. The PMBOK Guide Third Edition reflects the collaboration and knowledge of project management leaders who deliver business results. Successful project management is a constant advantage in the dynamic nature of today's organizations. Companies, non-profits, and government agencies around the world are turning to project management to achieve corporate strategic objectives. As recognition of the value of project management continues to grow, the PMBOK Guide will be

A Guide to the Project Management Body of Knowledge (PMBOK® Guide) - Seventh Edition and the Standard for Project Management (PORTUGUESE)

Eliyahu Goldratt is wereldberoemd geworden door de bestseller Het doel, waarin hij zijn Theory of Constraints (beperkingentheorie) uitlegt in romanvorm. In De zwakste schakel verlegt hij deze theorie naar het projectmanagement. Deze inspirerende businessroman laat zien hoe je projecten in veel minder tijd kunt afronden, binnen het budget en zonder concessies te doen aan kwaliteit of functionaliteit. Krachtige technieken zorgen ervoor dat projectmanagers ook bij problemen gefocust blijven zodat de gewenste resultaten worden behaald. De zwakste schakel is een belangrijk boek voor iedereen die dagelijks de uitdaging aangaat om innovatieve, nieuwe producten of diensten te leveren. Iedereen die geen exemplaar van dit boek weet te bemachtigen, mist een fantastische kans om zich zowel zakelijk als persoonlijk te ontwikkelen. Assembly Eliyahu Goldratt is bij miljoenen lezers een begrip als wetenschapper, leermeester en managementgoeroe. Over de hele wereld passen economen, bedrijfskundigen en managers zijn gedachtegoed toe in hun eigen organisaties.
